

EAGLESOFT PRACTICE MANAGEMENT REPORTS

PROVIDER PRODUCTIVITY REPORT SHOWING ALL PROVIDERS

The Provider Productivity Report will reflect each Provider's Collections, Production & Adjustment totals for the date range selected within the primary report filter.

This report needs to be run for 2 different date ranges:

- 1/1/2019- 12/31/2019
- 1/1/2020- 12/31/2020

1. Choose all Providers
2. After you click the Process button, the preview screen will only show those providers that have production (or will only show those providers that were selected in the drop-down list).
3. Print Report

In summary: every name will appear in the drop-down list - even if they are a staff member, inactive or if EOY has been processed with that provider showing no production.
